## Central Texas Golf Courses

With the nation's best combination of weather, name-brand designs and affordable, accessible golf, it's no wonder why Austin is recognized as the best golf city in America by Golf Magazine and the National Golf Foundation. With over 50 courses nestled among rolling hills, rivers and lakes, Central Texas is one of the most sought-after locations for avid golfers to tee off. Sizzling summers, perfect fall weather and mild winters make it the ideal environment to play virtually year-round. There is a course to cater to any skill level. Whether you are looking to take a swing at it casually with some friends at the Riverside Golf Course or prefer to work on improving your handicap at the exclusive Austin Golf Club, the Central Texas area has a golf course for everyone.
