## Stewart Concierge

Did you know the average consumer spends more than nine hours researching and establishing services related to their impending move or relocation? Let Stewart Concierge be your personal assistant for home and moving services coordination and setup. Fast, easy and convenient, Stewart Concierge can help simplify your move.

Simply call us at (866) 948-0230 or request us to call you by completing a form at [stewart.com/online](http://stewart.com/online), and a friendly associate will walk you through our service offerings and help you get started.

## **We can be your single point of contact for getting utilities connected.**

Stewart Concierge provides a complimentary service that can guide you through options and plans specific to the utility providers in your area and help you secure service based on your budget and individual needs. Once services are selected, you receive an email confirmation which includes your account number, a detailed overview of the selected services and all necessary contact information. Services available for Stewart Concierge assistance include:

- Electricity
- Gas
- Water
- Sewage

## **We can help you with everything you need to get your house up and running.**
