

Credit Union Tools and Services

Count on Stewart to help provide a variety of member benefits.

We understand the importance of members to a credit union. That's why we've developed an approach that enables credit unions to navigate today's complex maze of loan modification programs and products to find the offerings available that best match their members' mortgage situations.

Whether you participate in any of the U.S. Treasury programs or offer your own loan modifications, Stewart has the knowledge, products and flexibility to help cost-effectively manage your transactions. We can provide an end-to-end solution or specific services that easily integrate with your processes:

- Home Affordable Modification Program (HAMP)
- Home Affordable Foreclosure Alternatives (HAFA) Program
- Loan modifications
- Short sales
- Deeds in lieu of foreclosure
- REO asset management and disposition

Stewart also offers centralized refinance title and closing services, and products as simple as a property report.

Whatever your requirements, Stewart will collaborate with you to help improve the speed and efficiency of your processes, reduce production costs, minimize environmental impact, and provide a superior member experience.
