

AIM+ - Orders Gateway Integration

Placing an Order with the StewartOrders Button in AIM+

Login to your AIM+ account in TitleWorkPlace and select (highlight) the file you would like to place a title search request for. Then click on the StewartOrders button (the world) in your toolbar, circled in red below. You may also choose to select (highlight) the file and right click and select StewartOrders from the menu to place your order.

Your StewartOrders file will launch asking you to confirm the file number and your AIM+ username. Click Next.

The Additional Instructions screen allows you to add any comments for this file that may help us quickly and accurately complete your order. When you are finished adding instructions click Next.

The Seller/Property Owner screen will allow you to view your sellers and add/delete any if necessary. Again, if you need to make changes you would want to go back to your AIM+ file and make any needed changes there. Any changes made on this screen will not flow back into AIM+. After confirming your Sellers names click Next.

When your title search is complete. You will receive an email notification with a link to your completed file. The email will come from <u>titlesearch@stewart.com</u> and will look similar to the message below:

Search Completed

File Number:	78901
Search:	Full Search
Status:	Search Completed

You can view the order details by clicking on the link below: http://www.stewartorders.com/so/orders.aspx?id=117

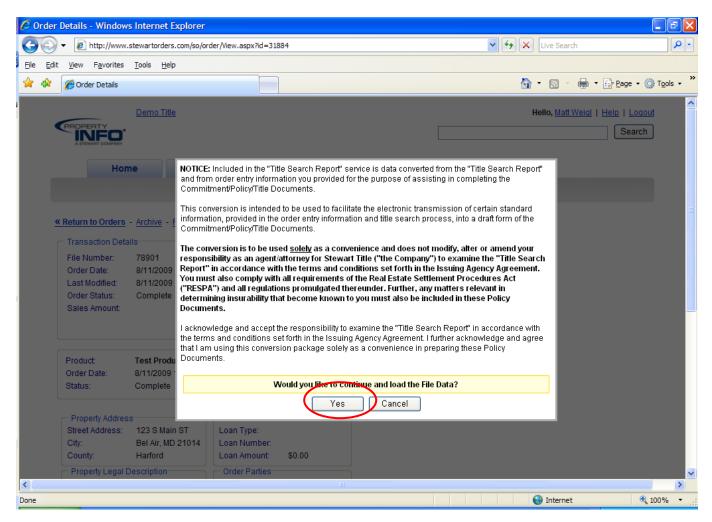

You will click directly on the link this will take you to the StewartOrders login web page. After logging in you will be taken to your completed order.

Your Order Details page will display. Under the documents section you will see a Title Search Report and a Raw Title Search. Click the PDF icon next to the Title Search Report to display all the data that is returned from the title search. The Raw Title Search will show you any scanned documents in accordance with this file. You must perform an examination before importing data into AIM+ from our website. To import the information into AIM+ click the "Load AIM+ Data" link.

Once your data loads back into AIM+, you will get a confirmation message 'Load Complete!' Click Close.

Go back into AIM+ and go into your file and documents module. Open the documents you need to produce, for example your commitment.

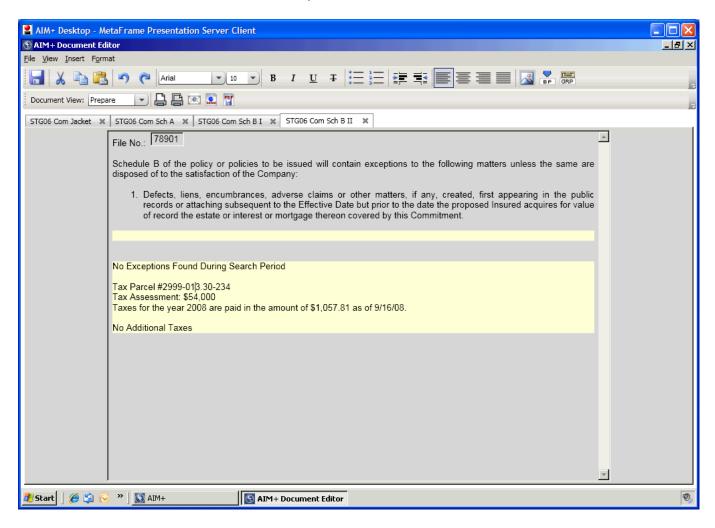

All of the keyed Title Search Report information such as Legal Description, Mortgages, Judgments, Exceptions are now all in the document placeholders for you to do one final review before emailing or printing the document for your customer.
