NOTICE: Included in the "Title Search Report" service is data converted from the "Title Search Report" and from order entry information you provided for the purpose of assisting in completing the Commitment/Policy/Title Documents.

This conversion is intended to be used to facilitate the electronic transmission of certain standard information, provided in the order entry information and title search process, into a draft form of the Commitment/Policy/Title Documents.

The conversion is to be used solely as a convenience and does not modify, alter or amend your responsibility as an agent/attorney for Stewart Title ("the Company") to examine the "Title Search Report" in accordance with the terms and conditions set forth in the Issuing Agency Agreement. You must also comply with all requirements of the Real Estate Settlement Procedures Act ("RESPA") and all regulations promulgated thereunder. Further, any matters relevant in determining insurability that become known to you must also be included in these Policy Documents.

I acknowledge and accept the responsibility to examine the "Title Search Report" in accordance with the terms and conditions set forth in the Issuing Agency Agreement. I further acknowledge and agree that I am using this conversion package solely as a convenience in preparing these Policy Documents.

DisplaySoft - Orders Gateway Integration

Right click on the file and choose copy.

Right click on Start Menu and open File Explorer.

DisplaySoft - Orders Gateway Integration

Enter %DisplaySoft directory%\Close.Imports\Stewart in File Explorer to locate the import folder for Displaysoft.

Paste the file into the folder.

HINT: If you create a shortcut to the Stewart folder, you can just download/drag your DisplaySoft files to that folder directly on your desktop.

Once the file has been placed there, open Display Soft and click Import, and select Stewart, your file should be listed in the window, select it and Click OK.
