Stewart Access 2.2.18 Release Notes

Stewart Access 2.2.18 includes enhancements for *Stewart Access Portal and Express*.

Deployment Date: November 13, 2020

New in This Release (Portal)

An overview of new features and modifications to Stewart Access Portal 2.2.18 include:

- Users can now cancel a **Jacket**, even if a **Post-Policy Endorsement** has been issued against the **Jacket**.

New in This Release (Express)

An overview of new features and modifications to Stewart Access Express 2.2.18 include:

- Express can now calculate **CPL Remittance** in real-time.
- Users can now cancel a **Jacket**, even if a **Post-Policy Endorsement** has been issued against the **Jacket**.
- Text fields within the *Short Forms* section can now accept up to **255** characters.

Portal Enhancements

Ability to Cancel Jackets with Post-Policy Endorsements

Users can now cancel a **Jacket**, even if a **Post-Policy Endorsement** is issued against that **Jacket**. The cancellation of the **Jacket** includes cancelling all its **Post-Policy Endorsements**.

The system will automatically create a **CPL reversal charge** if there are no other **Loan** or **Owner Jackets** with a status of **Issued**. This reversal charge will apply to the same **file** and same **State** as the **CPL**.

Express Enhancements

Real-Time CPL Remittance Calculation

Express can now calculate **CPL Remittance** in real-time similar to how **Jacket Pricing** is calculated.

Ability to Cancel Jackets with Post-Policy Endorsements

Users can now cancel a **Jacket**, even if a **Post-Policy Endorsement** is issued against that **Jacket**. The cancellation of the **Jacket** includes cancelling all its **Post-Policy Endorsements**.

The system will automatically create a **CPL reversal charge** if there are no other **Loan** or **Owner Jackets** with a status of **Issued**. This reversal charge will apply to the same **file** and same **State** as the **CPL**.

Short Forms Details – Character Limit Increased

In the *Short Forms Details* section, all text fields' character limit has been increased to **255** characters in length.

Additional Information

Training

More information about Stewart Access functionality is available in the Stewart Access Online Help. For additional training and documentation including Quick Reference Cards, please see the [Stewart Access Training Center](#).
