Stewart Now -Getting Started BDO

Real partners. Real possibilities.™

What is Stewart Now™?

• Purchased with acquisition in July of 2017

- Platform to provide transaction and real property information to internal associates and customers
 - Real-time status on title and escrow orders
 - Receive email and text notifications on the status of orders
 - Farming opportunities to assist with lead generation through Smart Farm (mobile only)
 - Access property information, view ownership details, transaction history and sales comparables. Create a customized property report and easily send and share it.
 - Easily provide accurate quotes for Stewart's rates and fees

Platform
