# Table of Contents

# Stewart Now 2.9 Release Notes

Stewart Now 2.9 includes added functionality and enhancements. This document provides users with a brief introduction to new features and functionality implemented with this release.

**Deployment Date: September 12, 2019**

## New in This Release

An overview of new features and modifications to Stewart Now 2.9 Release include:

- Additional **Notifications** and **Documents**.
- **Buyers** and **Sellers** Access to Stewart Now.

# Stewart Now Enhancements

## Additional Notifications and Documents Now Available

All parties on the transaction (*Buyer/Seller/Realtor/etc.*) can now see additional **Status** updates and **Documents** within the **Stewart Now Portal** and can also choose to receive additional **Notifications**. These changes will be available on any new files going forward, when your Order Entry team triggers the *Create Stewart Now Order* Action in ResWare. Refer to the *Notifications & Documents* section of the Stewart Now BDO Training Center to see the permissions for each party in the transaction.
