

# Buda

Downtown Buda

## Outdoor Capital of the World

Located just south of Austin on IH-35, this once quiet railroad community is becoming one of the fastest growing communities in Central Texas. However, Buda residents are working hard to retain the rural atmosphere that is characteristic of their heritage. Main Street has retained its “old-time” look and Buda is well-known for its antique downtown shopping in the original buildings. With both a rich historical heritage and quality, well-planned growth, Buda combines the best of the past, the present and the future.
