2. ARCHITECTURAL CONTROL. No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, location with respect to topography and finish grade elevation, and compliance with these restrictions. No fence or wall shall be erected, placed or located on any lot nearer to any street than the front of the dwelling situated thereon. Approval shall be as provided in paragraph eleven (11) below.

3. DWELLING SIZE: No dwelling shall be permitted on any lot unless the ground floor area of the main structure, exclusive of one-story open porches and garages, shall contain at least seven hundred (700) square feet for a one-story dwelling, and at least five hundred (500) square feet for a dwelling of more than one story exclusive of carport, garage, open porches, etc.

4. BUILDING LOCATION. No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum setback lines shown on the recorded plat. No building shall be located nearer than seven and one-half (7-1/2) feet to each side lot line or any combination of setbacks on each side of an interim lot line that equals at least fifteen (15) feet between buildings, provided that no such setback shall be less than five (5) feet. lot nearer than twenty-five (25) feet to the rear lot line. For the purposes of this covenant, eaves, and open porches shall not be considered as a part of any building; provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot.

5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than sixty (60) feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than six thousand (6,000) square feet.

8. SIGNS. No sign of any kind shall be displayed to the public view on any lot except one sign of not more than five (5) square feet to advertise the property for sale or lease.

9. LIVESTOCK AND POULTRY. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept, provided they are not kept, bred, or maintained for any commercial purpose.

No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and line connecting them at points twenty-five (25) feet from the intersection of the street lines, or in the case of a rounded property

corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

11. ARCHITECTURAL CONTROL COMMITTEE.

(a) MEMBERSHIP. The architectural control committee initially shall be composed of three (3) persons to be appointed by Better Housing of Tallahassee, Ltd., II. A majority of the committee may designate a representative to act for it. In the event of the death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for the services performed pursuant to this covenant.

(b) PROCEDURES. The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee, or its designated representative, fails to approve or disapprove within thirty (30) days after the plans and specifications have been submitted to it, or any event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

12. TERM. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners

of the lots has been recorded, agreeing to change said covenants in whole or in part.

13. ENFORCEMENT. Enforcement shall be by proceeding at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

14. SEVERABILITY. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

15. AMBIGUITIES. So long as Better Housing of Tallahassee, Ltd., II owns any lot or lands within the above-described property, it may amend these restrictive covenants if it is deemed necessary by the General Partner to clarify any ambiguities. Better Housing of Tallahassee, Ltd., II further reserves the right and shall have the power to grant variances and/or waivers as to any violations of these restrictive covenants which Better Housing of Tallahassee, Ltd., II deems to be insubstantial in nature and in material violation hereof.
