ARTICLE I

DUES AND ASSESSMENTS

It is hereby declared that all lots and parcels within BUCKHORN CREEK WOODS Subdivision shall annually be assessed and charged an amount, if necessary, sufficient to operate the Association and to maintain all roads, boatramp, shoulders, drainage ditches and all related improvements, whether then existing or to be constructed, so as to provide continuous, attractive, comfortable and ready access to each lot or parcel. To accomplish this, each property owner shall be required to belong to the Association.

The Association is a Florida corporation and a copy of its Bylaws are attached and incorporated herein. The initial meeting of the members (shareholders) of the Association shall be held in April of 1985 at which time the Directors shall be elected as provided for in the Bylaws. The initial assessment against all property, based on lots or parcels, shall be made by the Directors in October of 1984 and that assessment shall constitute a lien on all property subject to these restrictions and covenants as of October 19, 1984. As provided for in the Bylaws of the Corporation the Directors may provide that the payment of the assessment be made on a semi-annual or annual basis. Failure to make the payment in a timely manner Prepared By: Patrick G. Langston, P.O. Box 25, Crawfordville, Florida 32327, shall result in foreclosure as is provided for in the Bylaws. The Association shall also have the authority to collect all costs, expenses, attorney and other fees relating to the collection of delinquencies, and they shall further have the authority to assess interest for any delinquent account. As is provided for in the Bylaws the members (shareholders) shall elect Directors each year and the Directors in turn shall make an assessment which shall become a lien on the property effective May 1st of each succeeding year. The lien provided for herein shall be subordinate to any lien created by any first mortgage held by a bank, savings and loan association, insurance company or other lender on any individual lot or parcel or group of lots or parcels under one ownership.

ARTICLE II

PROHIBITED LAND USE

See Exhibit "B" which is attached and incorporated herein.
