**PR-4 SIMULTANEOUS ISSUE OF OWNER'S AND LOAN POLICIES**

When Owner's and Loan Policies covering identical land meet the definition of Simultaneous Issue, the combined rate for the simultaneously issued policies shall be the applicable Original Rate for the Owner's policy plus \$100 for each Loan Policy issued, and \$125 for each Expanded Loan Policy issued, provided that the applicable Loan Policy (or if more than one Loan Policy is issued, then the aggregate amount of the Loan Policies) does not insure in an amount in excess of the Owner's Policy.

When the amount of coverage of an existing Owner's Policy is increased by endorsement with the Simultaneous Issue of a new Loan Policy, or increase of an existing Loan Policy, covering identical land, the combined rate for the simultaneous increase in owner's coverage and issuance of the loan policy shall be the applicable Original Rate for an Owner's Policy for the increase in owner's coverage plus \$100 for each Loan Policy issued, and \$125 for each Expanded Loan Policy issued, provided that the applicable Loan Policy (or if more than one Loan Policy is issued, then the aggregate amount of the Loan Policies) does not insure in an amount in excess of the simultaneous increase to the Owner's Policy.

In both cases, when the total of the insurance for the Loan Policy or Policies exceeds the new or increased insurance of the Owner's Policy, the rate for such excess shall be the Original Rate for the applicable Loan Policy in the applicable bracket or brackets for such excess amount. To qualify for Simultaneous Issue, the mortgagor in the mortgage, the lien of which is insured by the Loan Policy, must be one and the same legal entity as the owner insured by the Owner's Policy.
