Re: Various Parties

On July 28, 2009 we issued Bulletin [NY000405](#), prohibiting the use of surveys performed by Big Apple Surveyors in STIC underwriting. Said Bulletin remains in full force and effect. Since that Bulletin, we understand the principal of that firm has formed a new company.

Accordingly, this Alert shall serve as notice that STIC is extending the prohibition to include the following additional names:

Apple Surveying

Vincent Teutonico
