

Realtor Tours

By Stewart Title

How it works - Stewart Title, along with your agent, arranges for a group of realtors to preview your house

Each attending Realtor will provide:

- ◊ Comments on pricing in a competitive market
- ◊ Feedback about upgrades, paint, carpet, landscaping, etc
- ◊ Exposure of your property to other agents who represent potential buyers

This is a great tool that can help get your house SOLD!!!

Ask your Realtor how you can get your home on the tour!
