No premium will be charged for Closing Protection Letters issued for transactions that are subsequently cancelled.

Endorsement Premium:

Decedents' Estates:

Extra Hazardous Risk Premium for decedent estate risks may be applicable in open estate situations, pursuant to Company guidelines and underwriting bulletins. When applicable, the premium for such is calculated at the rate of \$2.00 per \$1000 of value (based upon the sales price of the transaction), with a minimum charge of \$250.00 payable to the Company.

Modifications of Loan Policy By Endorsement:

Modifications of existing Stewart-insured loan policies by endorsement may be issued for a premium charge of 30% of the original title premium charge paid, **provided the original loan amount is NOT being increased.**

Modifications of existing Stewart-insured loan policies by endorsement may be issued for a premium charge of 30% of the original title premium charge paid, **plus** additional premium based upon applicable published standard loan rates in effect at the time of loan modification.

Refinance Charge

For residential refinance loan transactions involving improved one-to-four family residential properties, the residential refinance loan charge for a Standard and Enhanced ALTA Loan Policy is 70% of the policy charge and shall be applied as to the face amount of the new deed of trust, subject to the minimum premium charges as set forth above.
