Stewart Title Promotes Wyomia Clifton to Group Senior Vice President; Expands Role in Northwest

HOUSTON (January 21, 2020) – Stewart Information Services Corporation announced today that Wyomia Clifton is being promoted to Group Senior Vice President for the Pacific Northwest and Mountain States and will be responsible for overseeing Direct Operations in Montana, Idaho, Colorado and Utah markets, on top of her existing markets of Alaska, Nevada, Oregon and Washington.

“In her 12 years with Stewart, Wyomia has shown an ability to lead and grow Stewart’s market share and drive innovation in the Pacific Northwest,” Steve Lessack, Group President, Direct Operations, said. “Wyomia has been a high-performer and leader in the real estate industry for more than 20 years, especially in the state of Washington, and I have the utmost confidence she will continue to grow our Pacific Northwest and Mountain state markets.”

Since 2010, Clifton managed operations and sales in the Puget Sound Division, was promoted to Northwest Regional Sales Manager in 2015 and Senior Division President in 2017. Prior to joining Stewart, Clifton ran her own successful business in Kirkland, WA.

“Strategic growth, innovation and customer experience will continue to be top of mind for our Direct Operations teams,” said Clifton. “This is an exciting time for Stewart as a standalone company and I look forward to the opportunities that lie ahead to expand our team, our brand, and our reputation in pursuit of our vision.”

Clifton earned her Bachelor of Arts in International Business Relations and Politics/Government from the University of Puget Sound.
