

A SMOOTHER PROCESS

STEWART IS NOW INTEGRATED WITH CALYX.

A better loan-origination process is within easy reach. Stewart Title Guaranty Company has partnered with Calyx Software®, to boost the efficiency and accuracy of loan origination process. Now your access to rates through the Stewart Rate Calculator is simplified and streamlined through a central, secure location.

Our integration with Calyx Point makes it easy to:

- Access fees from the Stewart Rate Calculator
- Request fee quotes for purchase or refinance transactions
- Enjoy automated import of title-related rates and fees through the Calyx Point
- Select the office you are working with from Stewart's national network of local offices
- Eliminate communication via email or phone
- Receive and review free quote documents

Visit stewart.com/calyx-integration to learn how to get started.
