Red

Hey, all! I am here at the property on Piggyback Lane checking out the damage.

Red

You weren't kidding. That wolf did a number.

Hill

Did you have any trouble finding the place?

Red

I know these woods like the back of my hand. Plus, it's not hard to miss this mess.

Blu

Thank you again, Red. I told Oscar not to use "Golden Straw Emporium"

Red

From Rumpelstiltskin? Those materials are bad news.

Oscar

Blue

Any update on the survey?

Hill

It's encroachment. Isn't it?

Red

I'm wrapping up the resurvey now. I'll provide a final survey map and answer on encroachment tomorrow.

Oscar

We are three lucky pigs! 😄

Hill

And I've worked out a deal with Geppetto & Son Lumber to remove that lien.

Blu

Really!? What a relief! Looks like we'll get to close with Stewart Title sooner than expected.
